PROVIDING FOR CONSIDERATION OF H.R. 2052, SUDAN PEACE ACT

Mr. DIAZ-BALART. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 162 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 162

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2052) to facilitate famine relief efforts and a comprehensive solution to the war in Sudan. The first reading of the bill shall be dispensed with.

Points of order against consideration of the bill for failure to comply with clause 4(a) of rule XIII are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on International Relations. After general debate the bill shall be considered for amendment under the five-minute rule. Each section of the bill shall be considered as read. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from Florida (Mr. DIAZ-BALART) is recognized for 1 hour.

Mr. DIAZ-BALART. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 162 is an open rule providing for the consideration of H.R. 2052, the Sudan Peace Act. The rule provides for 1 hour of general debate, evenly divided and controlled by the chairman and ranking minority member of the Committee on International Relations. This is a completely fair rule. In fact, as I stated before, it is an open rule allowing all Members the opportunity to present amendments and, obviously, to debate this very important issue.

The current situation in Sudan, Mr. Speaker, is extremely grave. More than 2 million men, women, and children have perished due to war-related causes; and more than 3 million men, women, and children have been forced from their homes. Thousands of children have been abducted and forcibly converted to practices that they reject, and slavery has become an institution of the so-called National Islamic Front. Many of these same men, women, and children have suffered harsh beatings and torture.

In the face of this horrific tragedy, the Government of Sudan has continually blocked the efforts to provide aid to the people who need it most. Famine has been a constant, and the World Food Program has record that 3 million Sudanese will require emergency food aid this year alone. The situation is clearly intolerable, and we should do what we can to provide relief to the millions of displaced people in Sudan.
